The Rio Verde Fire District is seeking a proven leader with strong technical, organizational and analytical skills for the position of Deputy Fire Chief. This position plans, directs and oversees the support and operations divisions of the Fire District. Under the direction of the Fire Chief, this position may oversee activities and services relating to one or more of the following: facilities, communications, personnel administration, budget, equipment, emergency medical, fire suppression, and community relations. The Deputy Fire Chief is a member of the management team and assists with the department budget and strategic planning. Please view the complete Deputy Fire Chief classification description for more information about the knowledge, skills, abilities and working conditions.

Essential Functions

Communication: Communicates with the public, District employees and other agency personnel in order to: direct emergency scenes; supervise and train subordinates; conduct training and post incident reviews; provide information and respond to inquiries and complaints; coordinate special events; and explain actions of the Rio Verde Fire District (RVFD) and its policies and procedures. Makes effective presentations. Prepares special written administrative, investigative or other reports as assigned. Prepares and reviews the following: budget recommendations on personnel, supplies and equipment needs, district operating procedures, statistics and reports on district activities, performance evaluations and recommendations on disciplinary action and time sheets.

Manual/Physical: The RVFD Deputy Chief does not perform operations in the hazard zone but may respond to emergencies in a civilian vehicle for command support. May operate a light-duty non-emergency response vehicle to conduct District business requiring a standard Arizona Driver's License. Operates a personal computer (PC) to complete: daily entries to work schedules, roster approval, personnel records, apparatus status reports, exceptional incident reports and to handle electronic mail. Observes and monitors the behavior of office or field personnel to determine and maintain compliance with district policies, procedures and safety standards. Inspects and monitors emergency apparatus, equipment and facilities to determine compliance with safety standards and operational procedures relating to safety, infection control, and response readiness.

Mental: Comprehends and makes inferences from written material including: District administrative and operating procedures, management policies, emergency scene reports, daily work schedules, etc., in order to supervise and evaluate the work of subordinate personnel. Analyzes data such as dispatch time, turnout time, track crew response times and tactical control times to make recommendations to management regarding the reaction time of emergency crews and operational control tactics. Comprehends verbal direction including commands, information from other districts and other communication.

Knowledge and Abilities:

Knowledge of: Firefighting tactics and strategy, management skills in fire ground factors, building construction, tactical priorities, rescue operations, fire control considerations, apparatus placement, property conservation, fire ground safety, communications, fire stream management, hazardous materials and major medical operations, RVFD policies, procedures and fire prevention codes; the geography of the RVFD and other surrounding communities, including the location of streets, target hazards; supervisory and training practices and techniques; and the methods of conducting special studies or administrative investigations.

Ability to: Analyze and react to emergency situations quickly and calmly to adopt effective courses of action, giving due regard to hazards and circumstances, organize proper staffing on a continuous basis and assign personnel in a manner which provides the most effective level of fire protection and emergency medical services for the District, interpret administrative policies and assist in formulating District long-range goals and objectives; comprehend material to stay informed on global, national, state, and local fire service issues; act in the capacity of the Fire Chief, represent the District on special committees and make effective public presentations; establish and maintain effective working relationships with Fire Board commissioners, coworkers and the public.

The duties listed above are intended only as general illustrations of the various types of work that may be performed. Specific statements of duties not included does not exclude them from the position if the work is similar, related or a logical assignment to the position. Job descriptions are subject to change by the District as the needs and requirements of the job change.
